THANKSGIVING HYMN

By CLARENCE HAWKES
"The Blind Poet of Hadley"
(Written for the United Press)

EDITOR'S NOTE: Clarence Hawkes, 63, of Hadley, Mass., widely known as a poet, lecturer, and naturalist despite the fact he has been totally blind and a cripple for 50 years, has written for the United Press the following Thanksgiving poem:
United Press Associations.

Our father's God and God of ours,
God of the grain, the fruit and flowers,
Whose gracious smile on every hand
Doth wake to life the sleeping land;
God of the Summer and the Spring,
Who taught our hearts like birds to sing,
We thank Thee, God, at this great feast
For care of man and bird and beast.

We thank Thee, Lord, that through this year,
With all its hardships and its fear,
Thy sovereign will didst lead us higher,
A cloud by day by night a fire,
With chastened heart and eyes of wet
In opulence we soon forgot;
With pomp of power and gain of gold
Our civic virtues rust and mold.
We thank Thee for our "Ship of State,"
For those great men who made us great.
We thank Thee, for each Church and School—
Earth's greatest menace is a fool.
We thank Thee for the Pilgrim's faith,
Sublime in life serene in death
We still transmit that vital blood
So we can stand as they have stood.

We thank Thee, God, that fairer skies,
Above depression now arise,
This passing year so full of wrath
Hath garnered much of wheat and chaff.
From deepest depths we now must climb
Through great ideals to heights sublime.
We praise Thee, Lord, show us the way,
We thank Thee for "Thanksgiving Day."

TROOP NO. 3

At the inter-patrol rally held last Friday evening, the inter-patrol rally pennant was won by the Flaming Arrow patrol, the honor pennant by the Pine Tree patrol.

Several records were broken in this contest. New record was made by Lee Allen in the knot-tying contest, who hung up a mark of 59 seconds. Lewis Zamperini won the friction-fire contest in 14 seconds, and Joe Bay won the flint and steel fire contest. Max Smith was high man in the first aid contest.

Inspection was won by Frank Lawyer.

A tenderfoot badge was presented to Junior Fess, second class badge to Tommy Wilkes, and merit badges to George Bradford, La Verne Jones, James Coll, Lee Allen, Frank Lawyer and George Lancaster. George Lancaster was also presented with a life badge.

At the next meeting of the troop, practice in map-making will take up the greater part of the evening program.

TROOP NO. 4

November 17 was a regular troop meeting night for Troop No. 4. Personal inspection was won by Reggie Treloar. W. T. Jones, commissioner for Scouts in Torrance, made a few announcements. After that there was a test-passing period for the boys. The meeting was closed by Carl Faxman, junior assistant scoutmaster.

Ellis P. Moore, the leader of all the Scouts in the harbor division, attended the meeting.

At this meeting, one year service stars were presented to Lee Burns and Ellsworth Clark.

There are three vacancies in the troop. Therefore, all boys 12 years of age and over, who are interested in scouting are cordially invited to attend the troop meeting on Thursday at the Scout hall.

Cowpoke's Job Via Automobile No Joke Say Lomita Officers

LOMITA.—A herd of cows which strayed from a dairy farm near San Pedro, gave Constable C. R. Taber and Deputy W. J. Neff, a lot of trouble on Saturday night, and many householders in the south part of town telephoned their complaints to the constable's office because of the depredations of the wanderers. Taber and Neff undertook the job of cow-herding in an automobile, but found it very unsatisfactory and had to finish up on foot. The cows were shunted off to an uninhabited area southeast of town where the distracted owner gathered them up later and drove them home. Gardens, truck patches and shrubbery suffered some damages before the cattle were driven away.

Former Resident of Lomita Dies

Mrs. Aida G. Williamson, age 66, wife of William Williamson, passed away suddenly Thursday at the family residence, 218 Pennsylvania avenue, Hawthorne. Mrs. Williamson had been ill for a long time with a heart ailment, but her death this time was unexpected.

Funeral services, held Saturday afternoon from Stone & Myers chapel, were attended by many friends from Torrance and Lomita where Mr. and Mrs. Williamson had resided on Weston street until a few weeks ago. Interment was made at Roosevelt Memorial Park. Rev. C. L. Montgomery of the Lomita Community Presbyterian church, officiated at the services.

—at Narbonne High School

"It is possible to walk alone on foot from Cairo in North Africa to South Africa, a distance of six or seven thousand miles, without any danger from animals, or natives if you know what you are doing."

This was the surprising statement of Dr. Raymond Cowles, professor of biology at U. C. L. A., when he spoke at a scholarship recognition assembly at Narbonne, November 17. The speaker was born in South Africa and spent the first 16 years of his life there.

Dr. Cowles said that lions are very scarce in Africa. As for elephants, he stated that he had never seen one in all of the 16 years he lived there.

"There are dangers in Africa," confirmed Dr. Cowles, "but not as many as people seem to think. Most of the animals are more anxious to get away from you than you are to get away from them."

Dr. Cowles concluded his speech by showing some slides about the animals, flowers and natives of Africa. The members of the scholarship society were then given their certificates.

As a fitting climax to their recognition assembly held earlier in the day, members of the senior scholarship and honor societies met for a more informal celebration in the cafeteria the same evening, November 17. The party this year was in the form of a fancy-dress affair, and many grotesque figures were in evidence.

All thought of books and studies vanished as the honor students enjoyed themselves playing musical chairs and other similar games. Some clever skits were presented under the direction of Dick Bylin, club president. There was also dancing, followed by refreshments.

Walteria Resident Is Taken By Death

Mrs. Margaret J. Clute, wife of Albert A. Clute, passed away Sunday, November 20, at the family residence, 3331 Newton avenue, Walteria, at the age of 59 years. Mrs. Clute had been ill for a long time. The family has resided in Walteria for the past eight years. Funeral services will be held Wednesday morning, November 23, at 9 o'clock, at the Lomita Catholic church. Rosary will be said Tuesday evening at 7 o'clock at Stone & Myers chapel. Interment will be made at Inglewood.

Harry Phillips Is Hurt In a Fall

Harry Phillips, who is employed by an ice company at Wilmington, was treated Saturday at the Wilmington emergency hospital for an injury to his back. Harry fell against a doorstep when his tongue slipped off the cake of ice he was carrying and the sudden shift in the load caused him to lose his balance. He has since returned to work.

Woman Is Hurt In Auto Collision

Mrs. Blanche Porter, residing north of this city, was injured November 16 in an automobile collision between her car and that of a Ford coupe driven by Curt E. Lipp, 604 1/2 Hollywood boulevard. Mr. Lipp was turning from Prairie avenue into Riverside-Redondo boulevard when the collision occurred. Mrs. Porter was taken to the Hermosa-Redondo hospital for first aid.

Alumni-Seniors Football Game Is Declared Off

Owing to a decision of the Los Angeles city board of education which bars all post-season games, the proposed football game between the high school seniors and the alumni on Thanksgiving Day has been called off.

The game had been planned for the morning of the holiday, but the board turned thumbs down when permission to play was applied for and there will be no game.

Pay Taxes Now and Avoid Final Rush

Pay your taxes within the next week and avoid the rush.

That was the advice given today by W. W. Welch, county tax collector, in calling attention to the December 10 deadline for payment of the first half of real property and all personal property taxes. The last week finds scores standing in line before cashiers' windows on the third floor of the hall of justice, but this can be avoided by paying early, or by mailing the remittance with the tax notice, Welch pointed out.
